Current SMA is required for product updates, upgrades and technical support. A DDP software product is considered out of warranty if SMA is not renewed within 30 days of the current SMA expiration date. The SMA for an out of warranty product can be renewed according to the following adjusted price schedule, based on the current product price at time of renewal:

1st Year	40%
2nd Year	60%
3rd Year	80%
4th Year	100%
